INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

Madam:-

Relative to your application for your son, Alford Terhune, please state why the name of his father does not appear on the Cherokee roll of 1851 and why his grandparents are not on the Cherokee rolls of 1835 and 1851. It will be necessary that you show some of these parties to have been on the rolls of said dates, or fully account for their failure to be enrolled, and in addition show that they were members of the tribe in 1835 and 1846.

Was Alford or either of his parents ever held as a slave? If so, were they owned by white people or Indians?

Kindly give all the information you can tending to establish your right to participate in this fund.

Reply promptly and refer to application #19407.

Very respectfully,

Special Commissioner.

Chief Clerk.

COURT OF CLAIMS
EASTERN CHEROKEES.
APR 18 1908

Application Number 19407.

Rome, Ga. April 16th. 1908.

Mr. Guion Miller,
Washington, D. C.

FWR

Sir:-

In reply to your letter of March 20th, 1908 of inquiry in regard to the Indian blood of my son Alford Terhune I wish to say:

Alford Terhune, Sr. the father of my son was born and raised in Floyd County Georgia, but I can not tell why he was not enrolled in 1851, but suppose he never heard about it. There are several ways to account for the illiterate people not being placed on the roll. News did not spread in those days as ~~they~~^{it} do now. People thought perhaps that they would be conolized if they were enrolled, but I have not the least idea that he ever heard of such a thing. As to his father Berry Terhune I do not know why he was not enrolled if he was not but I think and know that he associated with the Indians and was considerable Indian himself.

Alford, my son has never been held as a slave but his father was and also his grandfather being slaves of white people. His father was part negro and part Cherokee Indian.

I can not give very much information or at least I can not get up much evidence in regard to the Indian blood of my son, but his father and grandfather were certainly part Cherokee Indian.

Very respectfully,

Kizzie ^{Her} *Terhune*

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state why the names of your parents and grandparents do not appear on the Cherokee rolls of 1835 and 1851.

It will be absolutely necessary for you to show that your parents or some of your ancestors through whom you claim your Cherokee blood, were on the rolls of said dates, or to fully account for their failure to be enrolled, and in addition show that they were members of the Cherokee tribe in 1835 and 1846.

Were you ever held as a slave? Was either of your parents ever so held? If so, state whether you or they were owned by white people or Indians.

Give all the information you can and reply promptly, referring to application #19412 with #19408.

Martha A. Whitener being first duly sworn, deposes and says:

That I am 52 years of age and live in Pickens Co., Ga. I claim through my mother's side. My father is a white man. My mother's mother claimed Indian. Alfred Moore, my grandfather was a white man. My mother was born and raised in S. C. but I don't know what part. My mother moved from S. C. about ten years before I was born, to this county - about 9 miles from here. My mother nor grandmother never lived with the Indians that I know of. My mother nor grandmother were never on any roll that I know of. I am recognized as a white woman. This is the only application I ever made for Indian benefits. My husband claims some Indian descent. His name is Phillip J. Whitener. He claims through his father's side. His father was born and raised in S. C. Don't know what part. If he was living he would be about 85 years of age. He came to Gilmer Co., Ga. when he was about 21 and lived here ever since. My husband was never on any Indian roll. His father went to California when my husband was six years old, lived six years, then came back to Gilmer Co., Ga. for the winter and then went to the Ter. Don't know whether he received anything from the government or not. My husband's mother claimed Indian descent. My husband is recognized as a white man. He was never on any roll himself. The uncle of my husband - a half brother of his father - went to the Ter. but he was never on any roll. None of my parents never lived with the Indians as a member of the tribe. The father of my husband went in with the tribe out in Ind. Ter. the year after the surrender. He never went with the tribe any until then. The name of my husband's half uncle was John Dilner. An uncle named Martin Whitener, of my husband's went to the Ter. when he, my husband, was ten years old. He never lived with the Indians before that. The grandfather of my husband owned land in N. C., Cherokee Co. He traded round with the Indians and got the land from them; didn't get it from the government, and he had to give the land back to the Indians.

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether or not you claim any Cherokee descent whatever through your mother. If so, give the source of the same.

Kindly explain why the name of your father does not appear on the rolls of 1835 and 1851. The information given in your application is too meagre for us to make an investigation of your claim, and it will be absolutely necessary for you to furnish us with more detailed information as to your ancestors through whom you claim your Cherokee descent, giving their Indian and English names in full, and either show that they were on the Cherokee rolls or clearly account for their failure to be enrolled.

Please reply promptly and refer to application #19429.

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state why your name does not appear on the Cherokee roll of 1851, and why that of your father does not appear on the rolls of 1835 and 1851. Do you claim any Cherokee descent whatever through your mother's side? If so, set out the source of the same.

How did your parents happen to be in Hamilton County in 1851? Had a band of Cherokees moved there? If so, had they severed their tribal relations with the Cherokees of the East? Why has not your mother made application? Kindly furnish us with her present address.

Were you ever held as a slave? Was either of your parents ever held as a slave? If so, state whether you or they were owned by white people or Indians.

Were either of your parents ever affiliated with any other tribe of Indians than the Cherokees? Kindly explain fully the reasons why you claim to be entitled to share in the distribution of this fund.

Very respectfully,

19431.

Mary E. Roberts being first duly sworn deposes and says:

My name is Mary A. Roberts, and I am 63 years old the 25th of last Jan. I was born in Martin County, Ind. I claim Indian descent through my father and grandfather. My father's name was Thomas Hammond. He has been dead about 15 or 20 years. He was born according to what I have been told in the year 1825. He was born in Orange County, N.C. I don't know when he left N.C. when quite young or one time long before I was born, and I cannot tell just when. I have often heard him say he was half Indian and half white. He never got any money from the Government on account of his Indian blood, nor did my grandfather. My grandfather's name was Markus Hammonds. He was a full blooded Cherokee, so I have always heard. Mark Hammond was born in Orange County, N.C. and lived there all his life. He died there in 1849. I have heard many a time that Mark Hammond was a full blood Cherokee Indian. I have heard my father and older people talk and they always said that my grandfather Mark Hammond lived with the tribe, and was recognized by the tribe as being a full blooded Cherokee Indian. My mother's father is half Indian, and half colored. Possibly there is some white. But on my father's side it is all Indian and white. None of my ancestors were ever held as slaves. I know Nancy Perkins, she is my sister and lives in Indianapolis, Ind. I know Victoria Henderson, she is also my sister and lives at Noblesville. I also know Cassius Hammonds my brother at Noblesville.

Mr. Guilford Miller,

Dear Sir:-

Replying to your esteemed favor of the 19th inst., which has just been received; Regarding the reason why my name does not appear on the Cherokee rolls must be because my grand-father whose surname was Plummer as an Indian (Indian given name unknown if any) when adopted by a white man named Sanders, took on the name of Elias Sanders. I never heard of there being any fund set aside for the Cherokee Indians until a very short time before I filed my claim. My grand-father Elias Sanders was a full-blooded Cherokee Indian. My grand-mother was a white woman. My own mother was a white woman, my father therefore a half Indian. I was never held as a slave. Neither of my parents were ever held as slaves.

I trust I have given the desired information. If there is a published roll or rolls of the Cherokee tribe for free distribution I would be more than glad to have a copy sent me.

Hoping to have a favorable report soon, I am,

Very ~~truly~~ yours,

Mrs. Rhoda Latta,

My name is Rhody Lattay. I am 70 years old. I have always have lived in Georgia. My grandfather was an Indian boy and a man by the name of Sanders took him and raised. I get my Indian blood from my father. He always said he was a Cherokee. I reckon I was not enrolled in 1851. The only reason I know is that they never paid any attention to it. I never lived with the Indians as an Indian. The Indians used to stop to see my grandfather. My grandfather was left here by the Cherokees and raised by Sanders. My father was Calvin Sanders. I do not know of any other name. I never heard my father say anything about being enrolled. I do not know whether he ever lived with the Indians. My father's father's right name was Elias Plummer, and he was a full-blood Indian. He always lived in Georgia so far as I know. I do not know that he ever went west. I never heard and reason for Elias Plummer not being enrolled. He was known by his adopted name of Sanders. I don't recollect any Indian name. I never heard of his having any brothers. I do not know the name of his father and mother. My people have always been recognized as white people, but considered as having Indian blood.

She claimed through her father, Calvin Sanders. I knew Calvin Sanders. I never heard him talk about getting any money from the Government. I was about 18 years old when I first knew him. I understand he claimed through his grandfather, but I cannot recall his name. It was Elias Plummer. I cannot give you any reason for his not being enrolled. I do not know of any Indian name he may have had. He favored the Indians. I knew Calvin Sanders and have heard him preach. I do not know of anything else that would be of any help.

No. 19437.

James Shaves, being first duly sworn, deposes and says:

My name is James Shaves and I reside at Franklin, N. C. I was born in Cherokee Co., N. C. in 1857. I claim relationship to the Cherokee Indians through both my mother and father. My father's name was Joe Welch, who was a half blood Cherokee Indian and my mother's name was Charity Shephard, who was a half blood Cherokee Indian. Both my father and mother were born in Cherokee Co., N. C. My mother's father was named Richard or Dick Shepard and my mother's mother was named Violet Shephard. My grandmother Shephard was a full blood and my grandfather Shepard was about three-quarters. My grandfather Welch was a half blood Cherokee Indian. I wish to make a statement that when my application was filed it was put down that my grandfather Dick Shepard was a Cataba Indian; this was an error; it should have been Cherokee Indian. My father and mother have often told me that they lived among the Indians and were recognized as Indians. My parents could both speak the Indian language. My father and mother both had all the characteristics of an Indian. I have been told that Ned Welch, my grandfather went west with the Indians. My application was originally made out by a Justice of the Peace who got it all mixed up.

ATTORNEY AT LAW
FRANKLIN, N. C.

Hon. Julian Miller,
Washington D.C.

Dear Sir! - I enclose your Affidavit
of Nancy Shepherd - as additional evidence
in the Case of James Shaver - Claim #19487,
for Participation in the Indian fund.
This old Lady is a respectable white woman
who knew Ned Welch well & knew that
he lived in the Community where the
Cherokees lived, & was a full blood.
Mr. Pauty when he was here seemed
to be satisfied that this man was of
Indian descent.

Please report if further evidence
is necessary.

Respect
A. W. Horn

19437.

James Shaves, being first duly sworn, deposes and

My name is James Shaves and I reside at Franklin, N. C. I was born in Cherokee Co., N. C. in 1857. I claim kinship to the Cherokee Indians through both my mother and father. My father's name was Joe Welch, who was a half blood Cherokee Indian and my mother's name was Charity Shephard, who was a half blood Cherokee Indian. Both my father and mother were born in Cherokee Co., N. C. My mother's father was named Richard Welch Shephard and my mother's mother was named Violet Shephard. My grandmother Shephard was a full blood and my grandfather Shephard was three-quarters. My grandfather Welch was a half blood Cherokee Indian. I wish to make a statement that when my application was filed it was put down that my grandfather Welch was a Catawba Indian; this was an error; it should have been Cherokee Indian. My father and mother have often told me they lived among the Indians and were recognized as Indians. My father and mother could both speak the Indian language. My father and mother both had all the characteristics of an Indian. I have told that Ned Welch, my grandfather went west with the army. My application was originally made out by a Justice of the Peace who got it all mixed up.

Appln. No. 19442.

John Henry Smith, -- being duly sworn, deposes
and says:

My name is John Henry Smith. I am 68 years.
I lived in Georgia all my life. I never got any money from
the Government. I lived in Georgia in 1851. My father was dead
and my mother did not have any buiness turn about her, and
I suppose that is why I was not enrolled. I claim through
my father Jim Stowball. He lived in Georgia. I don't know
that he ever went west. I dont know that he was ever enrolled.
I never heard that he got any money from the Government. I
don't know where my father got his Indian blood. My mother
and my stepfather told me that I was half-breed Cherokee In-
dian. I never heard them talk about my father taking any
part with the Indians. I don't know of anything else that
would throw any light on this matter. Neither my father or
my mother were ever owned by any one. I don't know any one
~~any one~~ one who could give any additional informa-
tion. My mother married a Smith after the death of my father
and I took his name. I worked on Col. Rogers' plantation
and am recognized as of Cherokee Indian blood, but never lived
with the Indians. About 25 years ago there was talk of a draw
going to be made among the Indians here from the Territory.
George Axe and his son Jack Axe came from North Carolina and
stayed in the settlement ~~where I was~~ where I was
living, and they said if a draw was made they were going to
see that I drew.

Personally appeared before the undersigned, John Henry Smith, who being duly sworn, deposed and saith, that he knows no reason why his name was not enrolled in 1851, unless it was the ignorance of his parents, and he was too young to attend to the matter himself.

My father died when I was very young, in fact before I can recollect, but every body always recognized him as a Cherokee Indian, and was said by reputation to be an Eastern Cherokee Indian.

I, my mother, nor father were ever slaves; my mother was always recognized as a white woman, and my father as a ~~full~~ ^{half} blood Indian, according to the reputation in the part of the country where he lived. I have never heard of my father being called anything, but "Stoball", except by some he was spoken of as "Indian Jir".

Owing to the lack of records, and the ignorance at the time when I was a child, is the only reason, which I can give for not having been enrolled.

Present address Old Fort
(Mc Dowell Co. N.C.)

Appl. 19470

Edward L. Stilwell being first duly sworn, deposes and says:

My name is Edward L. Stilwell. I live at Old Fort, N. C. I was born in 1888 in McDowell Co., N. C. I claim Indian blood through my father and his father. My father is living and is about 46 years old. He has not filed an application. He was born in Burt Co., N. C. ~~xxx~~ I don't know where my grandfather was born, but I guess it was in Burt Co., N. C. I don't think that my father and my grandfather ever got any money or land from the Govt. on account of their Indian blood. I claim to be connected by blood to the Cherokee tribe of Indians. They say that my great grandfather was a half Indian and married a full blooded Indian. I don't know what her name was. My great grandfather lived in the extreme western part of N. C. or the eastern part of Tennessee. I am not sure which. I have heard that Rachel Albert was my grandfather's mother's name. She was a full blood. My father and my grandfather always lived in N. C. ~~uptil~~ my grandfather went in the Confederate War. The old people always told my father that they knew that ~~thxxx~~ he had Indian blood in them. I never heard of any Indian name that my father and grandfather had.

My name is John A. Whitmire. I am 66 years old. I have lived in Georgia all my life. I was never enrolled. I know of no reason except that the Whitmires that I come of never knew anything about it. The Whitmires came from South Carolina to this part of the country. I suppose that I am Cherokee Indian. I never received any money from the Government. I never associated much with the Indians. I never attended any of their meetings. I claim through my father. His name was James Madison Whitmire. He lived here as my grandfather moved here from South Carolina when my father was a very little boy. I don't know whether my father was ever enrolled. My father claimed through his father, Christopher Whitmire. I do not know whether he was ever enrolled. I knew him. He died in 1868. He was then 71 years old. I can't say whether he was ever enrolled. He had two brothers. One was Larkin and the other Stephen. William Whitmire was my grandfather's cousin. He had a brother Andrew Pickins Whitmire. I do not know that any of my people ever went west. I have ~~no~~ relatives in the territory that I know of. I do not know any more about this matter. Evidence taken at Reno may throw some light on this case.

My name is Geo. W. Smith. I am between 75 and 80 years old. I lived a little while in Georgia. Savannah J. Smith is my oldest daughter(#40083). I claim Cherokee Indian blood. My mother said that Indian Will was my father. I never got any money from the Government. I never applied. I was living in S. C. in 1851. I never heard any talk of this enrollment of 1851 until lately. I never lived with the Indians only here in this part of the country. I never attended their council meetings. Betsey Smith was my mother. Indian Will was my father. I never recollect seeing Indian Will. He lived here in this country. People said that he was a full blood Cherokee Indian. I don't know that he was a party to the treaties of 1835-6.

My name is J. B. Phillips. I know Geo. W. Smith. My wife's mother's father is old man Williams and he used to hunt with Long Will. Lead was scarce in those days and they used to get lead in some place and come back with bullets. There is a place called ~~J~~ Will's Ford. I never saw him but have always heard that he was a full-blood Indian, but all the Indian living in this section were Cherokee. My grandfather moved over the Indian line and lived four years in the Indian nation. Williams lived across the line also, but I think Long Will must have been dead before 1851. I never heard that he was a party to any treaty. I do ~~not~~ know that he was recognized as an Indian and that there was a silver mine in that region. I never knew him by any other name. Mr. Smith has lived near me and he is a truthful man., and reliable.

I have heard that he had Indian blood. ~~XXXXXXXX~~ His mother was Betsey Smith and it was supposed that Indian Will was his father. An old man by the name of Moore said that Long Will was his Daddy. Long Will used to come back and forth on hunting trips. I don't know any other name Long Will may have had. He has been dead many years and was quite old at the time of his death. It was more than 50 years ago that I saw him. I think he was living in 1851. His home was on the Georgia side at that time. He went to North Carolina at one time. His family were full Indians. I think he lived with the Indians and travelled with them. I cannot tell you why he was not enrolled in 1851. I cannot tell you whether he had any brothers. I don't know anything about his parents. He may have been called Will. He used to travel back and forth across the river from Georgia to South Carolina. The river was called Will's Ford. He was a full-blood Indian. He borrowed guns to hunt with. I cannot tell you whether he took part in the council meetings of the Indians. He was always regarded as an Indian.

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state whether or not you claim any Cherokee descent whatever through your mother. If so, set out the same. Also state why the name of your father and those of your grandparents on your father's side do not appear on the Cherokee rolls of 1835 and 1851. Were you ever held as a slave? Was your father ever held as a slave? If so, state whether you or he was owned by white people or Indians. Did either of your parents or grandparents ever participate in any Old Settler payment? If so, when and where?

Kindly give all the information you can tending to establish your right to participate in the distribution of this fund.

Very respectfully,

Special Commissioner.

Quion Miller:

Dear Sir:

In answer to the questions regarding the claims in favor of the Eastern Cherokee are, to the best of my knowledge, as follows:

I do not claim any indian descent whatever thro' my mother. Why my father and his parents names do not appear on the Cherokee roll in 1835-1851 I do not know. But he (my father) was 1-8. indian

I was separated from my
father's people when very
young and he has been
dead a number of years.
consequently I can not
ans. some of the questions
definitely.

I never was held as a
slave, as for my father I
can not say, I can not
say whether my grand parents
ever participated in any
Old Settler payment.

I have given all the
information here and
heretofore that I know.

Charles R. Farmer being first duly sworn, deposes and says:

That I am 34 years of age and claim my Indian descent through my father. My mother is a full blooded white woman. My father was born and raised in Halifax Co., Va. My father was born in 1825. My father claimed Indian descent through his mother, Sarah Winbush. She married Pleasant Farmer, a white man. To the best of my recollection, Sarah Winbush was born in Va. My father claimed to be 1/4 Cherokee. My father was recognized as a white man in the community. I am recognized as a white man. My brothers and sisters have married white people. This is the only application I ever made. My father nor his mother never received any money from the government. I never heard of any ancestors being on any roll except my father said that when the Indians moved from Miss. they went around making some kind of a roll. That was in 1836. Don't know what kind of an Indian roll nor whether my father was on it. My father nor his mother never lived with the Indians as a member of the tribe that I know of.

Jane Elizabeth Bunch,
Lowry City, Mo.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why your name has not appear on the Cherokee rolls of 1851, and why that of your father has not appear on the rolls of 1835 and 1851.

Do you claim any Cherokee descent directly through your father? If so, set out the same. Were you ever held as a slave? Was your father ever so held? State whether you or he were owned by white people or Indians, if you were slaves.

Did you or your father ever participate in any Old Settler payment? If so, when and where?

Give a full history of your Cherokee descent, stating where each ancestor lived and died, and what part (if any) he took in the councils of the Eastern Cherokees.

Very respectfully,

Special Commissioner.

By

Chief Clerk.

Thomas J. Quick being first duly sworn, deposes and says:

That I am 67 years of age and live in White Co., Ark. I claim my Indian descent through my father; my mother is a full blooded white woman. My father claimed to be 1/8 Cherokee. I was born in Mississippi. My father was born in 1815 and he ran away from his parents when he was 15 years old. He was then living in Cherokee Co., Ala. and he went to Ga. and married my mother there. He lived there a couple years and then went to Mississippi and settled there. In 1884 he moved to Arkansas. He was living in Miss. when the tribe moved from Tenn. and that country to the Territory. My father was not on any Indian roll that I know of. At the time my father was living with his parents, he was living with the Indians as an Indian. That was in Cherokee Co., Ala. After he ran away from his parents he never lived with the Indians. My grandfather was a white man. My mother died in Miss. in ~~1843~~ 1858. I don't know anything about my grandmother. My grandmother died when my father left home. My grandfather married again and that's what caused my father to leave home. I nor my father never received anything by reason of our Indian blood. I am recognized as a white man with some Indian blood. I married a white woman. Wm. M. Hill (34509) and Jasper A. Hill (35843) are nephews of mine, they being my sister's children. Their father is a full blooded white man. I did not make application to the Dawes Commission. None of my brothers and sisters were on any roll that I know of. Emmet B. and Nathan W. Quick are half brothers on my father's side.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why the names of your parents and grandparents do not appear on the Cherokee rolls of 1835 and 1851. Were you ever held as a slave? Was either of your parents so held. If so, state whether you or they were owned by Indians or white people.

Kindly give the history of your Cherokee ancestors, stating where they lived, died, and what part (if any) they took in the Cherokee councils at any time.

Your wife, Mrs. J. Boling, has also filed application #19519. Kindly write yourself or have her write, setting up her Cherokee ancestry and showing why the ancestors through whom she claims do not appear on the Cherokee rolls of 1835 and 1851. Also whether she or her parents were ever held as slaves and whether they were owned by white people or Indians.

Very respectfully,

Dear Sir,

In reply to your letter of March 21st, I beg to say:— From the best I know the reason that my parents or grand-parents did not register on the rolls of 1835 and 1851 is that, as I am told, my parents and grand-parents were poor and illiterate, not being able to read or write, and knew nothing about such enrollment. They had no notice or knowledge of such enrollment. All my people were free born and were never slaves.

The only knowledge I have of my Cherokee ancestors is what I have been told by my people. As far back as I can remember both my father and

my mother and other relatives have told me that my ancestors were partly Cherokees - that their parents were left behind when the Cherokees were removed from this section of country. The Indian type is plainly shown in my family, and we are called Indians by the people of the Community. We have very dark skins and black straight hair. What I have said about myself applies in every case to my wife Emma J. Poling. Our children are very dark, so much so as to receive special notice from strangers. All my family, including my wife and her relatives, are regarded and spoken of in the Community where we live as Cherokee Indians. We would like for you to see us. Truly Yours,

Appl. #19518

Preston P. Boling, being first duly sworn, deposes and says:

My name is Preston P. Boling. I live at Monteagle, Tenn. I was born in Hamilton County, Tenn. in 1858. I claim through both my father and my mother. My father is living, but I don't think he filed an application. I don't know why. My mother was about 50 years when she died. My mother was always free. She was born in Hamilton Co., Tenn. My father and mother were recognized as Indians where they lived. Cherokee Indians. They lived with the white people. My grandparents on both sides lived with the white people, I reckon. I never heard of them living with the Indians. I never heard of my parents or grandparents getting any money from the Indians. I never heard of them being enrolled. I never heard of my grandparents ever taking any part in tribal proceedings. My grandparents on both side came from Granger County, Tenn. I never heard of any Indian names of my parents or grandparents. I don't know whether Nancy Goin lived with the Indians or white people.

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state whether or not you claim any Cherokee descent whatever through your father. Why does not the name of your mother and those of your grandparents on your mother's side appear on the Cherokee rolls of 1838 and 1851? Has either of your parents ever held as a slave? If so, state whether they were owned by white people or Indians.

Kindly give a full history of your ancestors through whom you claim your Cherokee descent, and if you claim any of them have been enrolled, give the names under which they were enrolled.

Please reply promptly, referring to application #19535.

No. 19537

Action: *Rejected*

Name: *Charles H. Polkman* and *his* children. Residence: *Cowan, Tenn.*

Reasons:

It does not appear that applicant or any of his ancestors were ever enrolled. It does not appear that they were living within the Cherokee Domain in 1835-6 & 1846, or that they were recognized members of the tribe. It does appear that if they ever lived with the tribe, that they left in 1834 and thereafter lived with white people.

Charles E. Bohanan, being first duly sworn, deposes and says:

My name is Charles E. Bohanan. I live at Corran, Tenn. I was born in 1846 in DeKalb County, Ala. I claim through both my father and my mother. My father was 84 years old when he died, and he died in 1897. My mother was about 50 years old when she died. She died in 1865. My parents were recognized as white people where they lived. My father and mother lived with the white people as far as I can remember. My father and mother both have told me about being with the Indians in DeKalb County. If my mother and father lived with the tribe, that was left it about the time that my oldest sister was born. I never heard of my parents taking any part in tribal matters. I never heard of them getting any money or land from the Govt. My father never did own any land. As far as I know my parents associated with the white people. My grand father, Wade, was born and raised among the Indians. **Ivkaan** About the time that my oldest sister was born (her Elizabeth) my father and mother moved from DeKalb County, Ala. to Jackson Co. Ala. I never heard my parents say whether they ever lived with the tribe or not. My father voted after he came back from Civil War. I don't know whether he did before that or not.

Isaac M. Ross,
Cowan, Tenn.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why your name does not appear on the Cherokee rolls of 1835 and 1851. Where were you and your parents living in 1835 and 1851? Were you or they members of the Cherokee tribe at that time? Did you or they ever take part in their tribal councils at that time? If so, when and where?

Do you claim any Cherokee descent whatever through your mother? If so, set out the same. Kindly give a full history of all your ancestors through whom you claim your Cherokee blood, being careful to give the correct English and Indian name of each one, and if they were ever enrolled give the names under which they were enrolled.

Were you ever held as a slave? If so, were you owned by Indians or white people?

Kindly reply promptly and refer to application #19539.

Very respectfully,

Special Commissioner.

Chief Clerk.
